

« Fich ! mon ami, je m'en vais
enfin de ce monde, où il faut
que le colar se brise
ou se brimbe. »

Champfort

Dans un monde
difficile...

... où il faut
être performant, ...

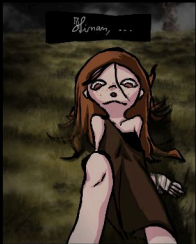

... ou intellectuellement,
ou physiquement, et plus,
souvent : maître au bon endroit...

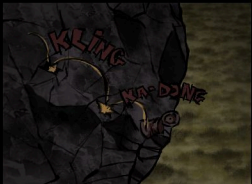

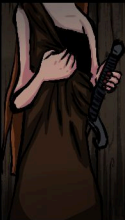

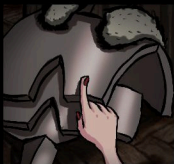

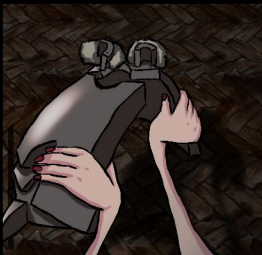

C'est quelque chose
de mystérieux,
de vivre...

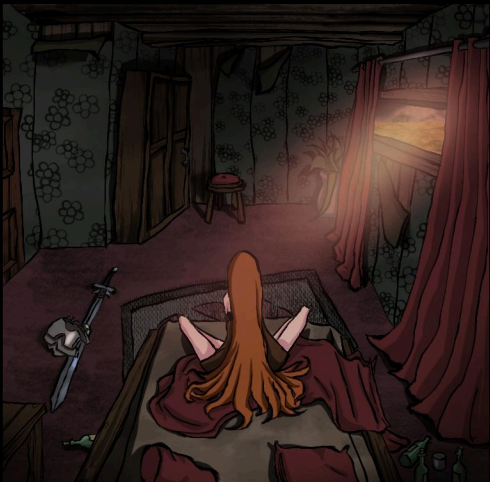

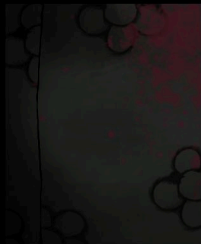

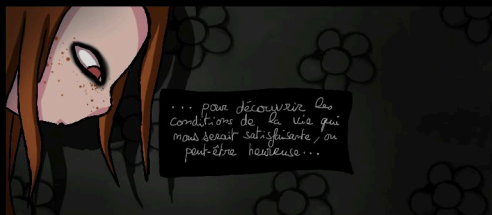

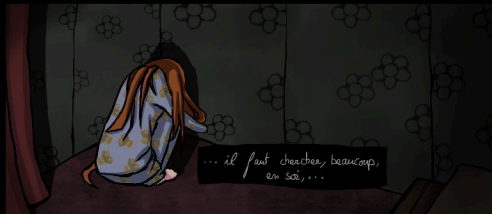

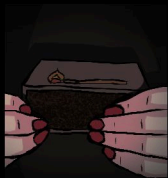

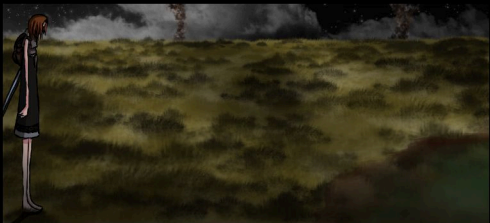

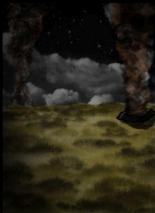

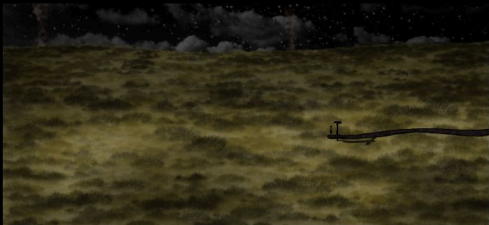

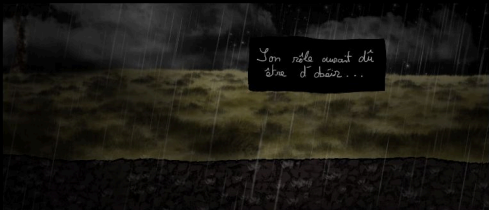

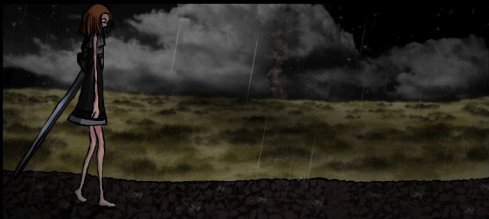

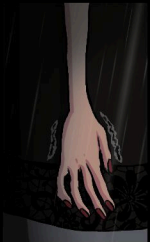

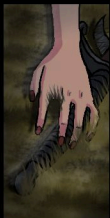

Mais Humm rêvait.

SPLAT!
