

"Oh, my friend, I am finally taking
leave of this world,
where the heart must either
break or turn to bronze."

Chamfort

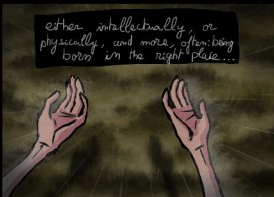

I'm a harsh
world...

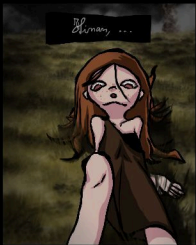

...where one must
perform well,...

either intellectually, or
physically, and more, often: being
born in the right place...

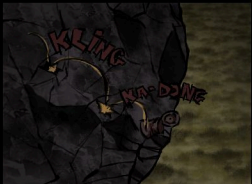

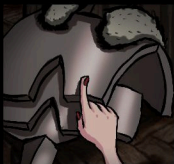

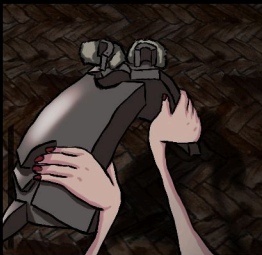

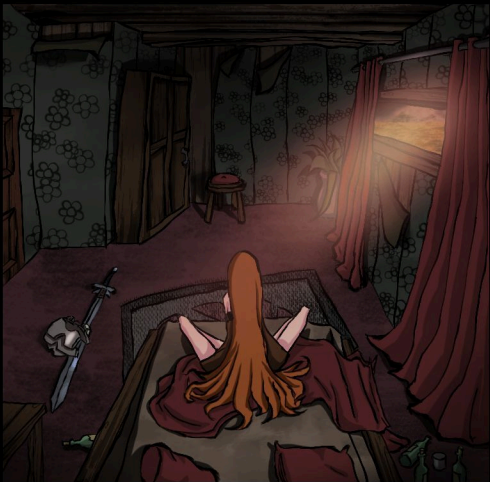

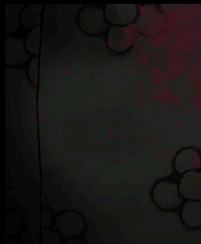

For some, whose
mind is ...

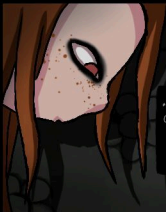

...it takes much searching
within oneself ...

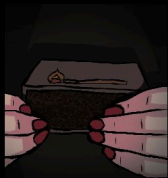

... to discover the
conditions of a life that
would be satisfying
or perhaps happy ...

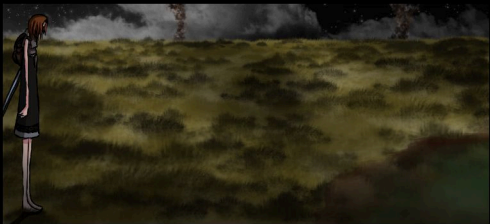

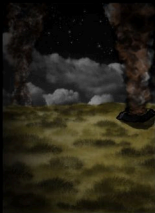

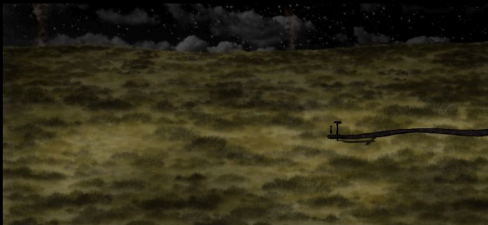

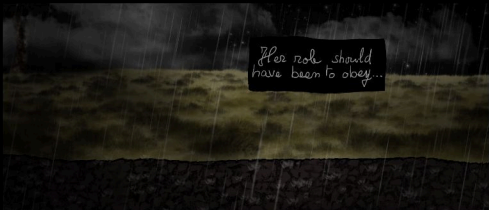

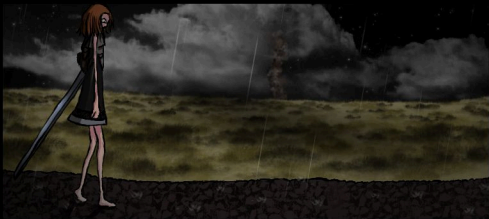

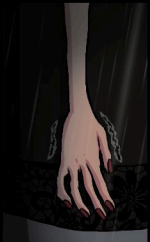

But Himan doesn't.
